

# Physiotherapist Job Opportunity

## Job Summary:

We are seeking a skilled and compassionate Physiotherapist to join our team and provide exceptional care to our patients. The successful candidate will be responsible for assessing, diagnosing, and treating a variety of physical conditions, helping patients to restore function, alleviate pain, and prevent disabilities. This role requires a deep understanding of physiotherapy techniques, excellent communication skills, and a commitment to patient-centred care.

## Key Responsibilities:

### Patient Assessment and Treatment:

- Conduct thorough assessments of patients to diagnose physical conditions and develop personalised treatment plans.
- Implement treatment plans using a variety of physiotherapy techniques, such as manual therapy, exercise therapy, and electrotherapy.
- Monitor patient progress and adjust treatment plans as necessary to achieve optimal outcomes.
- Educate patients on their conditions and provide guidance on exercises and lifestyle modifications to support their recovery and prevent recurrence.

## Patient Experience:

- Ensure a patient-centric approach in all interactions, fostering a supportive and empathetic environment.
- Communicate effectively with patients to explain treatment plans and address any concerns or questions.
- Gather and respond to patient feedback, continually seeking ways to improve service delivery.
- Maintain patient confidentiality and adhere to ethical standards in all aspects of patient care.

### Collaboration:

- Work closely with other healthcare professionals, including doctors, nurses, and other physiotherapists, to coordinate comprehensive care plans.
- Participate in multidisciplinary team meetings to discuss patient progress and refine treatment strategies.
- Provide guidance and mentorship to Physiotherapy Assistants and support staff, promoting a collaborative and positive work environment.

### Clinical Operations:

- Maintain accurate and detailed patient records, ensuring compliance with healthcare regulations and data protection laws.
- Ensure treatment areas and equipment are clean, well-maintained, and meet health and safety

standards.

- Stay informed about advancements in physiotherapy and incorporate evidence-based practices into patient care.
- Contribute to the development and implementation of clinic policies and procedures.

### Professional Development:

- Engage in continuing professional development activities to enhance skills and knowledge.
- Attend relevant training sessions, workshops, and conferences to stay current with industry trends and best practices.
- Participate in peer reviews and seek feedback to improve clinical practice and patient outcomes.
- Conduct or participate in clinical research projects, contributing to the advancement of the physiotherapy field.

### Business Development:

- Assist in promoting the clinic's services through community outreach and educational initiatives.
- Identify opportunities to expand the clinic's patient base, including partnerships with local organisations and healthcare providers.
- Provide input on marketing strategies to raise awareness of the clinic's offerings and attract new patients.

**Salary Range: GBP 26,500 to GBP 30,500 annually.**
